By Andy Cooke, Jean Martin

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2004. Paperback. Condition: New. Language: English. Brand new Book. Three class books covering Key Stage 3 biology, chemistry and physics as separate subjects; companion teacher file CD-ROMs containing lesson plans and resource sheets as printable pdfs This is just one of the resources available for Spectrum Separate Science. It introduces the key words and concepts that pupils need in a modern, fun and clear way. The Biology units of the QCA Scheme of Work are covered, along with part of Scientific Investigations, as advised by the Framework. Questions are included throughout each chapter to check understanding and to build thinking skills. The practical activities, discussions, starters and homework that you will need to build on this core content are contained on the Teacher CD-ROM. Support is provided by the extensive guidance notes in the teacher material.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after i finished reading this ebook in which it in fact modified me, affected the way i really believe.

-- Beverly Hoppe

Extremely helpful for all class of individuals. Better than never, though i am quite late in start reading this one. I realized this publication from my i and dad suggested this ebook to discover.
