

Facts and Artefacts: Ancient Greece (Hardback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

(Prof. Loyce Runolfsson Jr.)

FACTS AND ARTEFACTS: ANCIENT GREECE (HARDBACK)

Hachette Children's Group, United Kingdom, 2018. Hardback. Condition: New. Language: English. Brand new Book. The ancient Greeks were skilled builders, artists and inventors, and one of the best ways to discover how they lived is by studying the artefacts they made. Just as ancient objects enable us to step back into the world of the people who made them, the stories people told can reveal what they thought about their world. This book combines facts about the ancient Greeks with photographs of the artefacts they left behind and the stories they shared with each other to present a full picture of life at the time.
