AUTHORHOUSE, United States, 2005. Paperback. Condition: New. Language: English. Brand new Book. GODS LIGHT SHINES FORTH FOR US, This is a book of Christian poetry that I have written with the help of the Holy Spirit, I give Him all the praise and Glory. God is the most important part of my life and He should be in yours also, He leads and guides us in everything we do, without Him this world would make no sense. I can't even imagine a world without Him, if this was all there is, you live your life and then you die, nothing to look forward too, no hope in a future. What a sad feeling it is to even think about it, how do those who don't know God ever make it, what do they have to look forward too. No wonder there is so much hate and violence in the world today, it's like we live in a world where getting ahead is everything, no matter who gets hurt, or who has to pay the price. In this book I try to tell you of a loving God who cares for each one of us, we are all created equal, we all start out the same, it is the choices that we make along the way that makes each one of us different. Even though we have made bad choices we have a God who is also forgiving, He will forgive you no matter what you have done. People on death row have even asked for forgiveness and it would be granted, just like the thief on the cross. He asked Jesus to remember him when Jesus got to heaven and Jesus told him that he would be in heaven with Him. What a merciful God we serve, if you don't...
